

# 135 COMMUNITY TEAM MONTHLY SNAPSHOT

## ▶ FEBRUARY 2026: TOUR & TELL

Team members jumped into our Ys by working out, trying classes, taking tours, going swimming, and getting to know the Y experience better — all while helping inform a community-guided plan to modernize facilities, strengthen programs and expand access ahead of the Y's 135th anniversary in 2027.

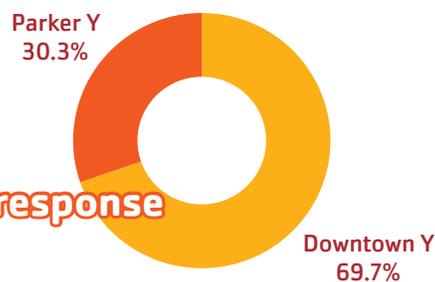

**Feedback focus**

### KEY TAKEAWAY

February feedback highlighted the overall experience and general impressions, and pointed to a clear improvement area:  
**Helping people better discover and navigate our spaces.**

### Facility response

*“Access to more family, or unisex, bathroom options could improve the (downtown) experience.”*

*“I think wayfinding is tricky with the way the (downtown) building is organized/historic components.”*

*“The size of the (Milton) facility is smaller than expected, and quite busy.”*
